The diagram illustrates the layout of a page. It features a main container with two primary sections: 'Head' and 'Sidebar'. The 'Head' section contains a 'Breadcrumb' component, which currently displays 'No info'. The 'Sidebar' section contains an 'Owned/Managed by...' component, also displaying 'No info'. Both components have a gear icon indicating configuration options.

Panels

- Drag-n-drop
- Простое управление layout'ами
- Встроенный механизм кеширования
